January 9, 1992

Present: Keith Palmiter, Chairman
Alton Sylor
Bruce Reuning
Leonard Watson
Maynard Boyce
Delores Cross
Keith Barber
John Tucker
Al Chamberlain

Fire Advisory Board Reps:
Bob Lester
Mike Moland
Dick Sortore

Chairman Palmiter called the meeting to order at 7:02.

On motion by Mr. Reuning and seconded by Mr. Sylor, the minutes of the December 5, 1991 Public Safety Committee meeting were approved.

Weights and Measures

Chairman Palmiter called on Al Chamberlain, Sealer, for his report.

Discussion was made on the new requirement to do octane testing of local gasoline station pumps. Thirty-six samples have been taken. One pump was incorrectly marked and was requested to change.

The two prover cans have been sent in to be retrofitted but are not back yet.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

Draft copies were handed out of the local law for Enhanced 911 service for Allegany County. This draft was developed by the county attorney and a resolution has also been developed.

Mr. Barber noted that there will be need of future agreements, such as between the county and Wellsville for their alternate answering point.

It was noted and suggested that the system should be referred to as "Enhanced 911" rather than "E-911". This would eliminate confusion and the chance that people would dial the "E" before 911.

Public Safety Committee
January 9, 1992

In the local law it states the system would take five years to implement. There may be some areas such as GTE service taking that long to be on-line with their equipment.

It was explained that the surcharge billing of the 35 cents would commence 30-45 days from when the county enters into agreement with the phone company. These funds would be placed in escrow and could only be used for activities associated with the 911 system.

The local law and resolution will be addressed at the board meeting on the 13th.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

A request was made for committee approval for two tower space rental contracts. One with Bob Bell for the OES base at Madison Hill and one for the Emergency Medical Services Base with S.U.N.Y., also on Madison Hill.

On motion by Mr. Reuning and seconded by Mr. Watson, approval for the contract renewals was made.

It was noted there will be a meeting with Mr. Tucker, Fred Wood and a vendor rep to discuss the installation of the radio microwave project. The equipment has been ordered as well as application for an FCC radio license.

The office is coordinating a request for CPR training classes for members of the county DPW. Approximately 48 employees have signed up for training. The Employment and Training office has also indicated a need for training of approximately ten staff members. It is possible that other departments may have employees wishing CPR training.

An update was given on the Ice Storm disaster aid. There are still approximately 20 applicants in the county waiting to be processed for payment. These should be completed some time in January.

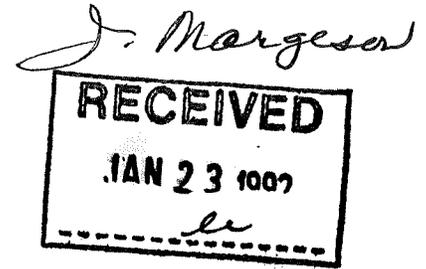

Some discussion was made concerning the operation of the county rescue squad. Possibly this service could be dropped by the county as a cost savings. Possibly some other organization could take over this service. The matter was discussed with rescue chief Cicirello whom indicated a desire to discuss the matter further if brought up formally for a decision.

On motion by Mr. Boyce and seconded by Mr. Reuning, the bills were approved for audit.

The meeting adjourned at 8:03 pm.

NOT
APPROVED

Chairman Palmiter called the meeting to order at 9:06.

On motion by Mr. Watson and seconded by Mr. Reuning, the minutes of the December 19, 1991 Public Safety Committee meeting were approved as received.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report.

A transfer of funds request was submitted for \$70.00 from .803 to .806 to adjust fringe benefits in the Alternatives budget.

On motion by Mr. Reuning and seconded by Mr. Boyce, approval for the transfer was made.

There will be a State Probation Directors Association executive committee meeting in Albany and it was requested that Mr. Sirianni be allowed to attend.

On motion by Mr. Reuning and seconded by Mr. Boyce, approval to attend was given.

An update on the new parole program was given. The five applications that were submitted have been reviewed. Two were withdrawn and the remaining three were denied by the review committee.

Other

John Margeson was called on to report on the status of the review of the county office building jail area. As previously discussed, a proposal to retrofit some of the jail area to increase inmate capacity was made.

The original structural engineer that worked on the design of the building is no longer available. Another engineer has been obtained

to review the proposal. Mr. Watson asked if a study of the current building use complies with the original design requirements.

STOP/DWI

Chairman Palmiter called on Patty Regan, Coordinator, for her report.

Patty noted the 1992 county STOP/DWI program plan has been approved by the state.

There will be a seminar hosted by the Wellsville Police Department, Thursday the 17th for representatives of the special STOP/DWI patrols.

An update was given on the new court room computer software program. Five (5) local municipalities have signed agreements and others are interested. A workshop will be held January 24 on the use of the system.

A meeting will be held with local SADD chapters to review 1992 activities.

At the recently held reception for the Wellsville Police Department accreditation presentation, Patty was thanked by the police departments in the county for the assistance from the STOP/DWI office and the county.

The space exchange matter between the STOP/DWI office and the maintenance director's office was discussed. As previously noted, it would be more convenient for the STOP/DWI office to be located next door to the probation department as a secretary is shared. This matter is being investigated further.

Patty explained what uses her new computer will handle such as word processing for all the correspondence, budgeting of the special patrols funds and analysis of arrest and conviction data.

District Attorney

Jim Euken was called on for a report. He discussed the need for part time help. The current two people that have been used are not available. Possibly another individual is available and it was requested to be allowed to use that person. On motion by Mr. Saylor and seconded by Mr. Watson to allow this request.

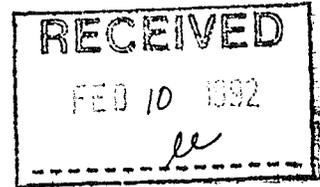

Delores Cross updated the situation on the coffee service. The current vendor will be replaced with another that will have an automatic system. Each machine will give change and funds will be handled by the vendor.

On motion by Mr. Watson and seconded by Mr. Reuning, the audit was approved. The meeting adjourned at 10:40.

PUBLIC SAFETY COMMITTEE MEETING

FEBRUARY 6, 1992

Present;

Keith Palmiter, Chairman
Alton Sylor
Bruce Reuning
Leonard Watson
Maynard Boyce

John Tucker
Keith Barber

J. Margeson

Fire Advisory Board Reps;

Bob Lester, Richard Clark, Mike Moland, Dick Sortor

Chairman Palmiter called the meeting to order at 7:02 pm.

On motion by Mr. Reuning and second by Mr. Watson, the minutes of the January 9, 1992 Public Safety Committee was approved.

Fire service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

A request was submitted for authorization to attend school or conference by Barb Fletcher and Joe Szeliga, both fire investigators, for an electrical fire cause and origin course at Monture Falls.

On motion by Mr. Boyce and second by Mr. Reuning, approval to attend was given. Another request was submitted to allow Dennis Rumfelt, another fire investigator, to attend an Arson Taskforce Conference in Niagara County.

On motion by Mr. Watson and second by Mr. Reuning approval to attend was given.

Keith, noted of an anticipated shortfall in the Fire service Insurance Account of \$985.00.

This is being discussed with the County Treasures' Office.

Word has been received for the Public Employees Safety and Health (P.E.S.H.) Department concerning possible large scale OSHA Compliance Inspections for County Fire Departments. Items that will be addressed are paperwork and equipment compliances.

A status report of the E911 System was given. Currently, the County Attorney is reviewing the proposal for the agreement between Allegany County and the telephone company.

Keith, noted Mike Moland is the newly elected chairman of the Fire Advisory Board. Richard Clark was introduced as a new fire advisory board representative.

A request was submitted for committee approval for compensation for Mr. Boyce who attended a Fire Advisory Board Meeting on January 23.

On motion by Mr. Saylor and second by Mr. Watson, approval was given.

Chairman, Palmiter noted of an invitation for county representatives to attend the Mercy Flight "Open House" February 29 in Buffalo.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director for his report.

John, noted he attended a Corps of Engineers Genesee River, Mt. Morris Dam Disaster Exercise held in Mt. Morris February 5th and 6th. The exercise was to simulate a flood in the Genesee River Valley that would effect the Mt. Morris Dam and areas up stream and down stream.

A status report of the microwave project was noted. The vender is scheduling installation for the week of February 24th.

John, noted he has been involved with assisting the Health Services Agency of Western N.Y. in the development of a section of the Rural Health Care Plan. There is a portion of the plan that addresses EMS and prehospital care.

On motion by Mr. Boyce and second by Mr. Watson the bills were approved for audit.

The meeting adjourned at 9:45.

Public Safety Committee Meeting

February 21, 1992

J. Margison

Present: Keith Palmiter, Chairman
Maynard Boyce
Leonard Watson
Bruce Reuning
Alton Saylor

Larry Scholes
Bill Timberlake
David Sirianni
Deb Hunter
John Tucker

Chairman Palmiter called the meeting to order at 9:02.

On motion by Mr. Boyce and seconded by Mr. Reuning the minutes of the January 17, 1992 Public Safety Committee meeting were approved.

Probation Department

Chairman Palmiter called on David Sirianni, Director for his report. Dave commented on some activities from his department's 1991 annual report.

There is a proposal by the State to merge the State Probation Department with the State Parole Department. This could create a cut of \$4 million to the probation budget. Also proposed is instituting a local fee schedule to offset the budget cuts. This fee would be paid by individuals that are on probation.

Sheriff's Department

Chairman Palmiter called on Sheriff Scholes for his report.

An update on the jail expansion project was presented. The State requires a minimum square footage for the recreation area. This was the area that some of the expansion would use.

A support beam is located in the recreation area that construction would be made on. This would reduce the area left below the minimum requirements.

On motion by Mr. Boyce and seconded by Mr. Reuning the committee approved the Sheriff to request a variance by the State on this matter.

Upon approval by the State on the project it was agreed that a joint meeting would be held with the Ways and Means Committee to discuss the project.

Undersheriff Bill Timberlake updated the committee regarding the Southern Tier Drug Task Force activities.

Since the beginning of the program in 1991 approximately \$4 million in illicit drugs have been eliminated from the market.

It was noted that the agreement for this program looks to be renewed in 1992 and 1993.

Because of the effectiveness of the Southern Tier Task Force, two other task forces in the state are looking to use similar procedures.

It was noted some funds can be obtained under the forfeiture program dealing with drug case convictions. These funds can be put back into the drug task force program.

Larry noted of a letter he has received (see attached) from the Allegany County Deputy Sheriffs Association regarding a temporary employee in his department filling a vacant position. It was requested that a part time be assigned to the position.

On motion by Mr. Watson and seconded by Mr. Reuning the committee approved the request.

District Attorney

Chairman Palmiter called on Deb Hunter from the District Attorneys office for a report.

A request to attend school or conference form was submitted to allow Jim Euken to attend a training program. On motion by Mr. Watson and seconded by Mr. Saylor approval to attend was given.

Public Defender

Chairman Palmiter noted of a memo from Linda Canfield concerning a voucher submitted for payment of the Assistant Public Defender's dues for the New York State Defenders Association.

It was noted that to approve this payment, a resolution must be adopted to authorize membership for other than the Public Defender.

It was noted in the memo that the Public Defender had indicated a request for dues for herself and both assistants.

On motion by Mr. Watson and seconded by Mr. Reuning to table the request and have the voucher for the Assistant Public Defender's dues be pulled from the audit pending contact with the Rules Committee.

On motion by Mr. Watson and seconded by Mr. Saylor, the bills were approved for audit except as noted.

The meeting adjourned at 10:55.

L. W. Scholes, Sheriff
Allegany County Sheriff's Dept.

Belmont, New York 14813

Dear Sheriff Scholes,

We would like to address the issue of a temporary employee being selected to fill the current vacant position on the 12:00 a.m. to 8:00 a.m. shift.

Temporary Job Openings are job vacancies that may periodically develop in any job classification because of illness, vacation, or leave of absence or for any other reason. Job openings that recur on a regular basis shall be considered temporary job openings.

Due to the fact this Job Opening has been vacant for more than a year, the Temporary Job Opening on "A" Line needs to be posted and filled in a timely manner.

We realize that the County is experiencing serious financial difficulties. However, this mandated position is presently being filled by part-time employees and appointing a temporary employee will not have a adverse effect on the budget. In fact, it would be beneficial because Personnel would not have to make daily arrangements for coverage and could utilize this time in a more productive manner.

Thanking you advance for your time and consideration.

Sincerely,

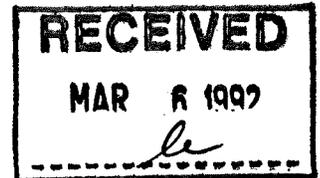

Timothy F. Histed, President

Chairman Palmiter called the meeting to order at 7:03.

On motion by Mr. Sylor and seconded by Mr. Reuning, the minutes of the February 6, 1992 Public Safety Committee meeting were approved.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

Keith noted of a recent meeting he attended to discuss a disaster drill at the Swain Ski Center near Canaseraga. The drill will take place April 11 at 10:00 a.m. simulating a failure of the chair lift. It was noted that when full, the lift can handle 350 people at a time.

Activity on the rural numbering system was discussed. A meeting was held recently with representatives from townships in the county to explain the procedure for updating the maps and assigning new numbers, John Tucker from Emergency Services assisted.

Keith explained that he has been given a recommendation by radio service personnel that the tower in Andover on Joyce Hill should be replaced. The tower is very old and has deteriorated to the point that it may not be safe. Other options and locations will be reviewed on this matter.

Weights and Measures

Chairman Palmiter called on Al Chamberlain, Director, for his report.

Al noted the prover cans have been returned and are working very well to speed up calibration of bulk tanks.

Item pricing was discussed for marking retail produce in stores. It was noted the county decided to wait to see if the state will regulate this matter. Al noted he can only regulate items such as in deli stores. Many markets are using computer scanning systems and do not have individual items priced.

Mr. Watson asked about the octane testing program. Only a few samples have been taken in the county but reports indicate the higher octane blends have a higher failure rate on the test.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

An update on the microwave project was given. A video tape was shown of the equipment installation.

Fred Wood will be meeting on Monday to review the current status of installation. The project should be completed by the end of March.

During the power failure on February 18, the generator did not work. There was a minor problem with a wire worn through on the oil sender switch. Although Norm Davis of county maintenance discovered the problem, RONCO was called to check it out.

A bill for \$340.00 was received and John Tucker noted that the Emergency Services real property repairs account was zeroed in 1992. It was approved to forward the bill to public works.

Discussion was made to investigate possible other maintenance companies closer to the site as there is a two hour drive time for RONCO who currently does the work.

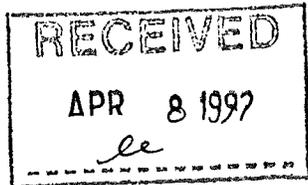

Sheriff's Department

Chairman Palmiter noted of a memorandum of explanation submitted by the sheriff requesting a resolution for a full time position for the county's participation in the Southern Tier Drug Task Force. This will remain for the period of the Task Force activity.

This matter was discussed and approved at the previous Public Safety Committee meeting on February 21, 1992.

On motion by Mr. Saylor and seconded by Mr. Watson, approval for the resolution was made. **NOTE: County Attorney Prepare Resolution**

On motion by Mr. Watson and seconded by Mr. Boyce, the bills were approved for audit. The meeting adjourned at 8:36.

Chairman Palmiter called the meeting to order at 7:04.

On motion by Mr. Reuning and seconded by Mr. Sylor, the minutes of the March 5, 1992 Public Safety Committee were approved.

Health Department

Chairman Palmiter called on Hans Peeters, Director, for a report.

Mr. Peeters presented a proposal for an inoculation program for Hepatitis-B. This program would be for county ambulance and fire department volunteers whom must comply with OSHA regulations. The proposal is for the county health department to administer the program and charge \$85.00 for each volunteer that would receive the required three shots. The cost would be to cover the vaccine.

The OSHA regulations require that all individuals at risk of exposure must be offered the inoculations. Mr. Peeters noted he will be discussing the matter at the county EMS Council meeting Thursday evening and the Chiefs Association meeting later in the month. The committee noted it was in support of the proposal. The rabies situation was discussed and the concern for the number of rabid animals reported in the county was discussed.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

An update of the E-911 phone project was given. The contract between the phone company and the county is completed.

Copies of the package containing the Data Base Responsibilities and the Non-Disclosure Agreement were handed out for review.

Keith noted that shortly, there will be a county E-911 Task Force meeting to address the next activity to be done.

There will be meetings and training sessions in Buffalo to assist locals in the required work to institute the E-911 system.

A request was submitted for authorization to purchase equipment over \$250.00. It was noted the radio console chair in the fire dispatch center is broken and unrepairable. A replacement chair of similar design was located at Olean Standard Equipment for \$410.00.

On motion by Mr. Watson and seconded by Mr. Reuning, the committee approved the purchase.

Keith noted of his recent response to the Wyoming County barn fire. There were agricultural chemicals involved and some of the responders were effected by the fumes. It was decided to let the structure burn.

Keith explained that some of the state fire training funding had been reappropriated this year. This will assist the county with training programs.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

It was noted there will be a Farmedic Course held in Alfred, April 16, 23 and 25. This course will assist fire and EMS responders with awareness on agricultural incidents such as hazardous materials, silo rescue and equipment extrication.

The OSHA and NFPA requirements for EMS personnel hazardous materials awareness was discussed. Emergency medical responders must be trained in the awareness level in being able to deal with hazardous materials incidents.

It was explained that a TTY telephone converter is now in place at the dispatch center. This unit is capable of communicating with deaf or hearing impaired residents.

A status report was given of the microwave communications project. All equipment has been installed and the connections to the radio system have partially been completed.

Sheriff's Department

Chairman Palmiter noted he had received an invitation for public safety committee members to attend a meeting at the JCC Olean campus to discuss a law enforcement training program.

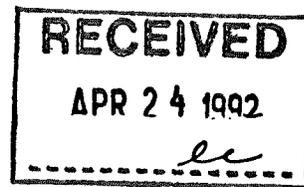

On motion by Mr. Saylor and seconded by Mr. Reuning, the bills were approved for audit.

The meeting adjourned at 8:06.

Delores Cross

Chairman Palmiter called the meeting to order at 9:03.

On motion by Keith Palmiter and seconded by Mr. Reuning, the date on the last Public Safety Committee Meeting minutes was changed from April 20, 1992 to March 20, 1992. The March 20, 1992 minutes were amended and approved.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report. Dave noted in reference to his April 3, 1992 letter that his State Aid Fee was raised from 34% to 36%.

Al Sylor asked "how many clients did he have?" Dave answered "350" "how many staff members did Dave have?" answer "14".

Sheriff's Department

500-H-2 of the CORRECTION LAW provides for reimbursement to the county for cost of medical and dental services provided to jail inmates from third party coverage or indemnification carried by an inmate. Such reimbursement can be obtained if the county adopts a local law to authorize it. It is now in the hands of the county attorney. Larry Scholes asked that a local law be enacted to be able to use Medicaid, on 30 days or more of incarceration.

Motion was made to enact 500-H-2 by Alton Sylor and seconded by Maynard Boyce. Passed

William Timberlake, Undersheriff, asked if 831.11 of the Federal Grant Money is to be renewed for this year. There have been major repairs to the car bought last year, and it has 100,000 miles on it and is unsafe to drive. He can receive \$5,000.00 for 1992 to their 3111.2 equipment account, providing we opt to renew with them for April 01, 1992 to December 31, 1992. The grant is with the county attorney for review. Mr. Mulholland has appropriated the committee to spend \$5,000.00.

Mr. Timberlake stated that a Resolution is needed to pass it.

On motion by Leonard Watson and seconded by Alton Sylor the motion on the Federal Grant Money 831.11 is to go for Resolution. Passed

County attorney prepare resolution.

Courthouse addition was discussed. It is suppose to come up April 22, 1992 for approval or denial. There is now a one year variance.

Regional Jail concept facility in Steuben County to be built in Bath was discussed. Long term inmates of 6 months to 1 year to be sent there, from Stueben, Livingston and Allegany Counties. Sheriff Scholes stated that New York State was looking into housing inmates that were to be incarcerated for up to two years to stay in county facilities. Sheriff's Scholes opinion was that the Sheriff's Association would not go along with it. It was asked "if a regional jail would alleviate over crowding, the need for transportation back and forth of prisoners?" Sheriff Scholes believed that it would. Sheriff Scholes stated that the prognosis for the number of inmates would rise this year from last.

Delores Cross, will contact Stueben for information on meeting with the sheriffs from the three counties.

Chairman Palimiter stated that Jerry Fowler requested Public Defenders Association membership dues of \$25.00 be paid per our 92 Resolution. On motion by Leonard Watson and second by Maynard Boyce to pay for Public Defenders Association dues. Passed

There was discussion on space being made for Jim Mullholland Tres. records to be moved to the Support/Collection building to free up office space.

On motion by Alton Sylor and seconded by Bruce Reuning, the bills were approved for the audit.

The meeting adjourned at 9:57.

Chairman Palmiter called the meeting to order at 9:02.

On motion by Mr. Watson and seconded by Mr. Reuning, the minutes of the February 21, 1992 Public Safety Committee meeting were approved as amended noting Keith Slep, not James Euken requested authorization to attend school or conference from the District Attorney's office. (see attached)

Traffic Safety Board

Chairman Palmiter called on Dave Roeske who noted he is now Traffic Safety Board Chairman.

A matter concerning membership was presented. It was noted four current members have not been active and possibly could be replaced by active participants. Letters were sent to the four and only one responded indicating a resignation. Dave noted he has discussed the matter with the county attorney. It was recommended, on motion by Mr. Reuning and seconded by Mr. Boyce to have Chairman Palmiter write letters to the three others to indicate compliance to by laws of not attending three consecutive meetings.

STOP/DWI

Chairman Palmiter called on Patty Regan, Coordinator, for her report.

Patty gave an update on the computerized court room program. Some local town and village courts are using the system and are happy with it. Friendship is currently obtaining a computer.

A program to conduct a multi law enforcement agency road patrol called "Wolf Pack Patrol" was discussed.

Patty noted that some advertising noting of STOP/DWI financial supported programs with state funds are from DWI fine monies.

Sheriff's Department

Chairman Palmiter called on Sheriff Scholes for his report.

Larry noted that one of the full time cooks is retiring and a request was made for approval to replace that person. Approval was made on motion by Mr. Watson and seconded by Mr. Reuning. It was noted that another full time cook will be retiring shortly.

The jail inmate status was given. It was explained that currently there are 41 males. Three females have been sent to Wyoming County.

Larry noted the request for the variance on the jail retrofit has been submitted for state approval.

As discussed previously, a member of the Southern Tier Drug Task Force is scheduled to attend a public safety committee meeting to report and answer questions. It was authorized to have the sheriff request a member to attend a meeting prior to the second board meeting in April. The time was requested at 10:00.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report. Dave noted that the proposal by the State to merge Probation and Parole together has been dropped.

The proposal to institute a \$30.00 surcharge on supervision cases has been dropped by the State.

The second felony offender proposal was dropped and the Aid to Localities increase of funds is not final as yet.

Dave noted that his department has currently been charging a 10% administrative surcharge which goes to the general fund regarding handling probation cases.

A fee is possible and may be charged for petitions that the probation office handles. Last year, Dave noted approximately 400 petitions were handled by his department.

Mr. Boyce asked how insurance is handled by the county for individuals assigned to community service. The work is done by court order and the individual is given choice of jail time or community service time.

Public Defender

Chairman Palmiter noted of a request received from Judy Samber to authorize transfer of \$2,500 from contingency to her fees account. This is to cover a shortfall in a bill for \$4,250 for psychiatric fees as a result of a court case.

On motion by Mr. Saylor and seconded by Mr. Reuning, the committee approved the request and forwarded the matter to Ways and Means.

The previously discussed matter of reimbursement for dues for one of the assistant public defenders was tabled again pending the decision of the full board on this matter at the next board meeting, on motion by Mr. Boyce and seconded by Mr. Reuning.

Other

Chairman Palmiter noted of a discussion with Public Works regarding the maintenance of the emergency generator at the Corbin Hill radio tower. Public Works indicated it could handle the maintenance. Currently there is a service contract that has been paid for with RONCO for 1992 by the Office of Emergency Services. This is to include two service calls. OES Director John Tucker was instructed to contact RONCO to discuss this matter.

Board Chairman Cross noted she has recently toured the new jail complex in Wyoming County.

On motion by Mr. Boyce and seconded by Mr. Reuning, the bills were approved for audit.

The meeting adjourned at 10:23.

Present:

Keith Palmiter, Chairman
Alton Saylor
Leonard Watson
Bruce Reuning
Delores Cross

Keith Barber
John Tucker
Al Chamberlain
Maynard Boyce

Fire Advisory Board Reps.: Bob Lester

Chairman Palmiter called the meeting to order at 7:04pm.

On motion by Mr. Reuning and second by Mr. Boyce, the minutes of the April 02, 1992 Public Safety Committee were approved.

WEIGHTS AND MEASURES

Chairman Palmiter called on Al Chamberlain for his report.

The status of the octane testing program was discussed. The county is eligible for \$3,050.00 of federal funding to assist with the program annually.

For the recent testing period, 85 samples were taken and 8 failed. Of these failures, 2 were miss-marked pumps.

Enforcement was discussed and Al noted that no cross state border enforcement is allowable. Tankers would have to be stopped at the state line and samples taken before entering the state. This process would not be practical. It is hoped that the petroleum companies will police themselves to comply with this regulation.

Al, noted of a workshop in Morrisville, NY August 10-14 and the State Sealers Conference on June 29-July 2 that he requested approval to attend.

On motion by Mr. Boyce and seconded by Mr. Reuning, approval to attend both sessions was authorized.

Al, noted that there was a used weigh scale available for \$50.00. This would be a benefit to have for checking things such as 20 lb. propane tanks. A new scale would be approximately \$400.00-\$500.00. It was noted funds would have to be transferred from a .4 account to the .2 equipment account.

On motion by Mr. Sylor and seconded by Mr. Watson approval was given to transfer the funds by resolution.

NOTE: COUNTY ATTORNEY, PREPARE RESOLUTION

It was explained that the sealers weights will be in need of calibration shortly. Some of these weights are kept by L.C. Whitford who uses them on occasion. It was suggested to contact Whitfords and determine if they would share in the cost to have the state recalibrates them.

There is a spare 5 gallon gasoline measuring can not being used that the Cattaragus County Sealer inquired about using or purchasing.

The committee noted that being county owned property, it would have to be handled through the county owned property committee.

Al, noted that he is currently a member of both the National Sealers Organization as well as the N.Y. State Sealers Association. The total cost of both memberships is \$60.00.

On motion by Mr. Reuning and seconded by Mr. Boyce approval for both memberships was given for 1992.

FIRE SERVICE

Chairman Palmiter called on Keith Barber, Fire Coordinator for his report.

The status of the E911 project was given. Local phone bills are being assessed the \$0.35 surcharge. It was explained that only the county government is exempt as it is conducting the program.

A letter will be sent to all postmasters in the county to support the use of the county rural numbering system needed for E911.

Keith will be making an E911 presentation to the Supervisors and Mayors Association.

The phone company will shortly start training program for local representatives on how to proceed with the project.

Keith noted of three pieces of legislation dealing with E911. These bills address increasing the surcharge and how the funds can be used.

The state has reinstated some of the fire instructors previously eliminated from the state budget. Originally, Allegany County had three instructors and two were eliminated. The County will get back one of them.

OFFICE OF EMERGENCY SERVICES

Chairman Palmiter called on John Tucker, Director, for his report.

A request was submitted for a resolution to allow renewal of the New York State Health Department EMS training program sponsorship.

On motion of Mr. Reuning and seconded by Mr. Boyce, approval was given.

NOTE: COUNTY ATTORNEY, PREPARE RESOLUTION

It was explained that National EMS Awareness Week will be May 10-17, 1992. Chairwoman Cross was requested to make a proclamation at the board meeting on the 11th.

There will be a Prom Night Program on May 22, 1992 at the Wellsville High School at which time a simulated DWI related auto accident will take place. The county legislators are asked to attend.

OTHER

Chairman Palmiter discussed the idea of consolidating the two public safety committee meetings into one meeting per month. This matter will be studied future.

Delores Cross read a letter from a citizen at Cuba Lake indicating concern of traffic and other activity as a result of the operation of the two indian owned stores and gas stations on the north shore of the lake.

Possible signs or law enforcement patrols could help remedy this problem.

On motion by Mr. Saylor and seconded by Mr. Watson the matter was refund to the Traffic Safety Committee.

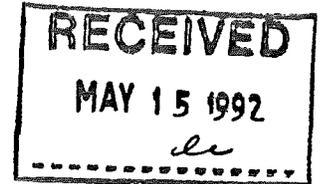

On motion by Mr. Boyce and seconded by Mr. Reuning, the bills were approved for audit.

The meeting adjourned at 8:45pm.

Chairman Palmiter called the meeting to order at 9:05.

On motion by Mr. Watson and seconded by Mr. Reuning, the minutes of the April 17, 1992 Public Safety Committee were approved.

STOP/DWI

Chairman Palmiter called on Patty Regan, Coordinator, for her report.

Patty requested information on the office space exchange discussed previously. It had been requested to possibly relocate the STOP/DWI office closer to the Probation Office as both share a secretary.

It was noted the Central Services Committee will be addressing the matter.

"Operation Sobriety" was discussed which took place recently in the county. This was a joint effort by different law enforcement agencies to do sobriety checks on area motorists.

It was explained that some thought the activity had been scheduled to coincide with the Wellsville Fishing Derby. Sheriff Scholes stated this was not the case as the activity was conducted after the derby was over. There was more concern by law enforcement to address the Alfred Hot Dog Day traffic.

Patty noted of the planned "Operation Prom" drill scheduled for May 22 at the Wellsville High School. This was noted earlier in a letter to Delores Cross. The drill will be a simulated automobile accident staged for the students and parents showing the results that may happen with drunk driving.

Sheriff's Department

Chairman Palmiter called on Larry Scholes, Sheriff, for his report. Larry noted he had contacted Hans Peeters, County Health Department Director to discuss hepatitis B and exposure control requirements for the sheriff's department. The committee unanimously agreed that the sheriff's personnel should be made available the program.

A request was submitted for committee approval to fill a full time cook's position recently made vacant.

On motion by Mr. Watson and seconded by Mr. Reuning, approval to fill the position was given.

The Sheriff noted that funds were budgeted for a replacement vehicle for the red and white. It was proposed to have the full size unmarked vehicle currently used by the sheriff converted to a red and white. A new mid-sized vehicle would then be purchased at a cost savings. Chairman Cross noted that a mid-size Oldsmobile was listed on the state bid publication so that bids may not have to be sent out.

On motion by Mr. Boyce and seconded by Mr. Saylor, the committee approved the request to proceed with obtaining a vehicle.

Larry submitted a request for a resolution for a contract with Wyoming County for out of county inmates at \$55.00 per day.

On motion by Mr. Boyce and seconded by Mr. Reuning, the request was approved.

NOTE: County Attorney Prepare Resolution

A request to transfer funds was made for \$200.00 from jail supplies to jail personal property.

On motion by Mr. Boyce and seconded by Mr. Watson, the transfer was approved.

Chairman Cross advised Larry of the recent requests from Cuba Lake residents for assistance with the traffic situation at the area of the Indian operated stores on the north shore of the lake. Mrs. Cross noted she replied that the county had no road patrol and that possibly the Sheriff could request assistance by the New York State Police. Larry noted he will address the matter.

Larry requested Undersheriff Bill Timberlake to give some details on the recent drug task force activity.

Bill noted of a drug raid on a residence on Route 417 recently and how he was impressed at the professionalism of all participants and agencies. The result of this activity will have an effect on the local drug market. This incident was a result of approximately seven months of investigation and over eight pounds of marijuana was confiscated.

A request for two resolutions with Cattaraugus County and Chautauqua County to extend the agreement as participants in the regional drug task force from November 1, 1991 to March 31, 1992.

On motion by Mr. Boyce and seconded by Mr. Reuning, approval was given.

NOTE: County Attorney Prepare Resolutions

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report.

Dave is working on proposals for fee assessment to generate revenues for his department. He is waiting for the State to develop guidelines for the fee structure.

Dave discussed some of what he was aware of regarding the proposal for office space changes in the STOP/DWI and Probation departments.

Public Defender

A request form to transfer funds was submitted by the Public Defender's office. \$100.00 to be transferred from .407 to .409.

On motion by Mr. Watson and seconded by Mr. Reuning, the transfer request was approved.

On motion by Mr. Watson and seconded by Mr. Saylor, the bills were approved for audit.

The meeting adjourned at 10:07.

Chairman Palmiter called the meeting to order at 7:04.

On motion by Mr. Reuning and seconded by Mr. Sylor, the minutes of the May 7, 1992 Public Safety Committee were approved.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

Keith submitted a request to allow Mike Healy of the Cuba Fire Department attendance to the Montour Falls Fire Academy July 6-10. The course will certify Mr. Healy as a Level II Hazardous Materials instructor. The cost will be \$145.00 which will include room and board.

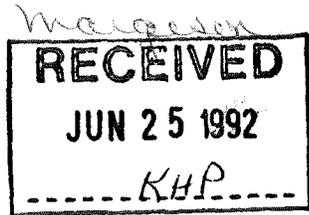

On motion by Mr. Reuning and seconded by Mr. Watson, approval to attend was given.

Keith asked if a decision has been made yet to combine the two monthly Public Safety Committee meetings. Chairman Palmiter noted that possibly this would start in July.

Some discussion was made regarding the E-911 program. Keith Barber noted a meeting will be held June 11 at 11:00 a.m. in Belmont of the task force and a telephone representative to begin activity of data collection and verification.

There have been some minor incidents of inaccurate telephone surcharge billings which are being addressed.

PUBLIC SAFETY COMMITTEE MEETING

JUNE 19, 1992

Present: Keith Palmiter, Chairman Larry Scholes
 Alton Sylor David Sirianni
 Bruce Reuning Leonard Watson
 Patti Regan William Timberlake
 Keith Barber Delores Cross

Chairman Palmiter called the meeting to order at 9:05

Fire Coordinator

Mr. Palmiter called on Keith Barber Fire Coordinator for his report. Keith informed the committee that his 9 part time dispatcher positions were down to 6. This was due to one dispatcher on medical leave another took a full-time job with an paid ambulance service. Mr. Barber brought forth two names for part-time dispatcher position. Dave Washburn/Neal Green

Committee's comment was it wasn't necessary for Mr. Barber to bring if before committee, but thanked his for doing so.

Sheriff Department

Mr. Palmiter call on Larry Scholes Sheriff for his report. Larry stated that in 1990 an Allegany County inmate claimed he was assaulted and sexual abused by a fellow inmate. This allegation was investigated.

On June 15, 1992 Mr. Scholes received a letter stating that Allegany County was responsible for a \$10,000.00 portion of a \$15,000.00 insurance settlement with the aforementioned inmate. The Sheriff's Department is insured through National Casualty Co., 8877 North Gainey Center Drive, Scottsdale, Arizona 85258. There is a \$10,000.00 deductible clause in their policy. Sheriff Scholes stated that \$3,567.74 was spent on the investigation on the alleged charges of the inmate. He felt that perhaps more time should be spent on investigation if the county was going to make large settlement on such cases.

There was discussion and a motion was made to refer this to Insurance Committee by Keith Palmiter seconded by Leonard Watson. Passed

Al Sylor asked "who appointed National Casualty Insurance Co. for the sheriffs department?" Sheriff Scholes reply was "Allegany Board of Legislature."

Sheriffs Department (con't)

William Timberlake purpose the passing of a Security Agreement so the county could be reimbursed \$4,650.00.
Motion make by Alton Sylor seconded by Keith Palimiter. Passed

County attorney prepare a resolution.

Probation Department

Chairman Palmiter called on David Sirianni, Director for his report. Dave noted that May 18th's memo confirmed 34% - 36% increase in state aid.

Alternative To Incarceration Program (ATI)
The county can get 1% of all bail bonds that are posted. They received a quarterly check of \$136.00.

Fees can be charged on DWI Investigations of \$ 0.00 to \$ 30.00 a month. Custody Investigation fees can be charged for \$ 0.00 to \$500.00. A local law is needed to be established to permit these fees to be charged. Mr. Sirianni will bring it up at the next Public Safety Committee Meeting.

Dave asked that a transfer of \$200.00 from .416 account to .405 for attending a conference June 28 - July.

Motion was made by Bruce Reuning stating approval for Dave to attend conference, seconded by Keith Palmiter. Passed

Motion was made by Bruce Reuning stating approval for transfer of funds from .416 to .405 accounts, seconded by Keith Palmiter. Passed

DWI

Chairman Palmiter called on Patti Regan for her report. Patti reported on a ARC Fund Raiser which included wine tasting in their advertisement. Community attitude was that a fund raiser for DWI should not have wine tasting as a major part of their advertising. It was advised that perhaps the wine tasting feature could be down played.

Ms. Regan commented on the DWI Allegany County Fair Booth. Again this year there will be a Treasure Chest Contest sponsored by Fleet Norstar. Bicycle Safety Program will be an other program.

Ms. Regan will be attending a State Conference in Utica, New York for STOP DWI.

Room space for the DWI Program was discussed. It is still a problem, and she is still look at Wellsville for a move but more investigation is needed. (2)

Public Safety Committee Meeting (con't)

Ms. Regan, is looking into replacement of two Alchosensors, one was damaged the other inadvertently lost.

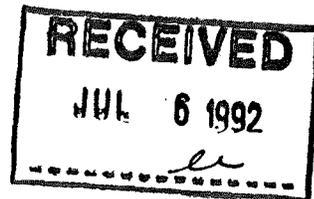

On motion by Alton Sylor and seconded by Bruce Reuning, the bills were approved for the audit.

Chairman Palmiter called the meeting to order at 9:00.

On motion by Mr. Sylor and seconded by Mr. Reuning, the minutes of the June 4 and June 19, 1992 Public Safety Committee were approved.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

A brief report on the status of the Joyce Hill tower site was given. There was some recent damage to the tower guide wires which was done inadvertently by a bulldozer operator. The county public works department has done some temporary repairs but it was noted more permanent work should be done. The guide wires are rusted and should be totally replaced, also one of the ballast anchors has been moved and should be replaced. Possibly a fence should be installed around the perimeter of the county property.

It was noted an assessment of the repairs needed will be done and funds requested in the budget for 1993.

Keith noted the County Fire Association has authorized and appropriated funds for a new fire service computer to be used in the dispatch center.

This will be used for the computer data for E-911 dispatching and possibly a computer mapping program for the rural numbering system.

The Crown-Y facility fire in Cuba was discussed. Keith commended all participants and noted the excellent cooperation between

federal, state and county investigation representatives who worked to determine the cause and origin of the fire.

There was an E-911 task force meeting held recently with representatives of the telephone company. Copies of the street address guides were obtained and are being reviewed and updated.

Keith will be meeting with the Wellsville officials to discuss the E-911 system between the county and the town and village of Wellsville.

Probation Department

Chairman Palmiter called on David Sirianni, Director for his reports.

Dave noted he has been working on the proposal for the fee program and will be presenting it shortly.

Sheriff's Department

Chairman Palmiter called on Undersheriff Bill Timberlake who submitted a request for transfer of funds as follows:

\$75.00 from .205 to .212 for funds to purchase film.

On motion by Mr. Sylor and seconded by Mr. Reuning the request for the transfer was approved.

STOP/DWI

Chairman Palmiter called on Patty Regan, Coordinator, for her report.

A handout was reviewed noting the increase in some of the fees assessed on DWI related convictions. (attached)

It is becoming more difficult for judges and other officials to keep track of these funding changes.

An insurance company rep will be attending the State STOP/DWI Coordinators conference in October to discuss some program they are doing to deter drinking and driving.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

John noted the phone billing has been terminated for the leased phone lines to the Corbin Hill tower. The microwave system has

been installed and has been working correctly. These phone bills being eliminated will create a savings of over \$9,000 annually for the county.

A report on the hepatitis B inoculation clinic was given. The Health Department has completed the first of the three series of shots for over 400 volunteers.

Additional clinics will be held in July and December to complete the program.

On motion by Mr. Boyce and seconded by Mr. Saylor the bills were approved for audit.

The meeting adjourned at 10:10.

Chairman Palmiter called the meeting to order at 9:00.

On motion by Mr. Boyce and seconded by Mr. Reuning, to approve the minutes of the July 2, 1992 Public Safety Committee meeting.

Leonard Presutti, Mayor of Belmont, was present to request funds for fire protection for the county government properties in the village. The county's parcels are tax exempt and it was felt some service fee should be made for fire protection.

It was noted this matter will be forwarded to the county attorney for review.

Sheriff's Department

Chairman Palmiter called on Sheriff Scholes for his report and copies of the 1993 Sheriff's budget request were handed out for review.

On the .1 salary accounts it was moved to limit the Sheriff's and Undersheriff's salary to the 1992 figure.

The sheriff's .2 accounts were reviewed. On motion by Mr. Watson and seconded by Mr. Sylor approval was given for the .2 accounts.

On motion by Mr. Boyce and seconded by Mr. Saylor approval was given for the .2 jail accounts.

On motion by Mr. Reuning and seconded by Mr. Boyce the .4 accounts were approved upon review.

The other correctional agencies budget was reviewed and on motion by Mr. Watson and seconded by Mr. Saylor that budget was approved.

The revenue accounts were reviewed and the sheriff noted of a somewhat conservative estimate.

On motion by Mr. Saylor and seconded by Mr. Boyce the revenue projections were approved.

Under other matters of the sheriff's department, a request was made to purchase a used vehicle.

On motion by Mr. Reuning and seconded by Mr. Boyce approval was given by the committee.

A transfer of funds request was submitted to transfer \$8,000 from A3170.447 to two 3110 accounts as follows:

\$6,000 to 3110.411 (repairs personal property)
\$2,000 to 3110.415 (xerox)

On motion by Mr. Reuning and seconded by Mr. Boyce, the committee referred the request to Ways & Means for approval of a resolution.

A memorandum was submitted to authorize the creation of a full time temporary corrections position to replace a member assigned to the Drug Task Force.

On motion by Mr. Boyce and seconded by Mr. Reuning, approval was given. NOTE: County Attorney Prepare Resolution

A brief discussion was made concerning the request received by the county to assist with traffic control at Cuba Lake.

The sheriff noted if the Town of Cuba Police contacts him he will try to see what can be done.

Fire Service

Chairman Palmiter called on Keith Barber, fire coordinator, for his report.

Copies of the 1993 budget request were handed out for review.

The .1 salary accounts were reviewed. It was noted all listed employees are unit with the appropriate contract figure entered except for the fire coordinator.

On motion by Mr. Saylor and seconded by Mr. Reuning the .1 accounts were approved with the coordinator's salary set at the 1992 level.

In review of the .2 accounts, it was noted of funds requested for communications enhancement with two radio repeaters and a fence and gate for the county's fire radio tower at Andover. On motion by Mr. Boyce and seconded by Mr. Reuning the committee approved the .2 accounts. Mr. Saylor voted against.

The .4 accounts were reviewed. On motion by Mr. Reuning and seconded by Mr. Watson the .4 accounts were approved with the following amendments: .408 limited to 1992, .419 reduced to \$200 and .451 limited to 1992 figure.

In review of the E911 budget, it was explained that the expenditures in this budget would be offset by the revenue of the surcharge on phone bills.

On motion by Mr. Watson and seconded by Mr. Boyce, approval on the E911 budget was approved.

On other fire service matters, a request was made to authorize some fire service haz mat volunteers to attend a training workshop in Erie County.

On motion by Mr. Boyce and seconded by Mr. Reuning, approval to attend was given.

A request to purchase equipment over \$250 was submitted to authorize the new encoder for Joyce Hill radio tower. This item is budgeted for 1992.

On motion by Mr. Watson and seconded by Mr. Reuning the purchase request was approved.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report

Copies of the Emergency Services 1993 budget request were handed out for review.

Under the .1 account, approval was given on motion by Mr. Reuning and seconded by Mr. Saylor to limit the director's salary to the 1992 figure.

MEMORANDUM OF EXPLANATION

INTRO. No. _____
(Clerk's Use Only)

DATE: 8/6/92

COMMITTEE: Public Safety

A resolution is requested by the legislature for the acceptance of the new radio communications microwave system installed by Comptek Telecommunications. On recommendation by Fred Wood, Consultant, (see attached letter) the date of July 1, 1992 shall be used for establishing the start of the one year maintenance/warranty period.

Belmont, New York 14813

Re: Microwave System

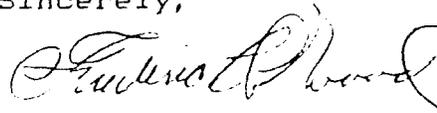

Dear John:

Upon inspection of the installed equipment and in accordance with discussion with yourself and representatives from Comptek Telecommunications, it is my opinion that the subject microwave system has been installed and is performing in accordance with the requirements of the contract. It is my recommendation that the County Legislature adopt a resolution accepting this system and that Comptek Telecommunications be paid in full.

The specifications required the contractor to furnish a one year maintenance contract as a part of their bid effective from the date of final acceptance of the completed system. Since the installation of the microwave system was completed during the month of June, it is my recommendation that the Board of Legislators' resolution accept this system effective July 1, 1992 for the purpose of establishing the start of this maintenance period. Comptek should be notified of this action.

Should you or the County Attorney have any questions relative to this recommendation, please give me a call at 636-2750.

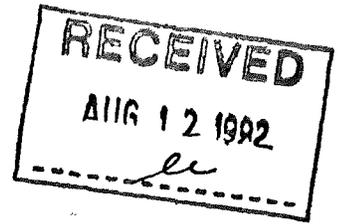

Sincerely,

Frederick S. Wood, P.E.

Chairman Palmiter called the meeting to order at 9:02.

The meeting agenda will be to review budget requests for 1993.

Public Defender

Chairman Palmiter called on Judy Samber for her report. Copies of the Public Defender's 1993 budget request were handed out for review.

On motion by Mr. Reuning and seconded by Mr. Sylor, the .1 accounts were approved with the amendment of limiting salaries of the non unit staff to the 1992 level.

The .4 accounts were reviewed and because of the case load increase, some increases were noted. The expert witness account was reduced by \$700.

On motion by Mr. Watson and seconded by Mr. Boyce, the .4 accounts were approved as well as the overall budget.

District Attorney

Chairman Palmiter called on James Euken for his report.

Copies of the 1993 District Attorney's budget request were handed out for review.

In the .1 accounts some discussion was made concerning the part time account clerk.

On motion by Mr. Reuning and seconded by Mr. Watson, the committee approved the .1 salaries with limits noted on the non unit and department head salaries at the 1992 level.

The .4 accounts were reviewed. The fees account was reduced to the \$5,000 level of 1992. The Special Prosecutor account was reduced by \$2,000.

The approval of the .4 accounts as amended and the total budget was made on motion by Mr. Sylor and seconded by Mr. Boyce.

The grand jury budget (A1190) was reviewed and approved on motion by Mr. Watson and seconded by Mr. Sylor.

Assigned Council

Chairman Palmiter called on Joe Embser, Assigned Council Administrator, for his report.

It was noted the cases handled have increased dramatically since last year. For 1993 a total of \$115,000 is requested.

A brief explanation of the Assigned Council's responsibilities was made by Mr. Embser. In 1991 there were 160 cases and at mid year of 1992 there have been over 200 cases.

Mr. Sylor requested some data be gathered on the budget expenditures of previous years.

On motion by Mr. Watson and seconded by Mr. Reuning, the committee approved the 1993 budget request. Voting no were Mr. Sylor and Mr. Boyce.

Mr. Embser submitted a request for an additional \$55,000 to cover the anticipated shortfall in the assigned council 1992 budget because of the increased caseload.

On motion by Mr. Watson and seconded by Mr. Reuning the matter was referred to Ways and Means.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report.

Prior to the review of the 1993 budget request, Mr. Sirianni submitted requests for the following: A resolution was requested to allow the county to institute a local law for collecting administrative fees.

On motion by Mr. Sylor and seconded by Mr. Boyce the request was approved. NOTE: County Attorney Prepare Resolution

Another resolution was requested for allowing charges of fees for custody and visitation services.

On motion by Mr. Reuning and seconded by Mr. Boyce, approval was given. NOTE: County Attorney Prepare Resolution

Regarding the part time typist position shared with STOP/DWI, a resolution to entitle that position to the appropriate step increment was made.

On motion by Mr. Boyce and seconded by Mr. Reuning, approval was given. NOTE: County Attorney Prepare Resolution

The copies of the 1993 Probation budget requests were handed out for review.

The first budget to be reviewed was the Intensive Supervision Program (ISP). This budget is 100% reimbursable.

On motion by Mr. Saylor and seconded by Mr. Reuning, the committee approved the budget request.

The Alternatives to Incarceration Program was reviewed and it was noted this program is 50% reimbursable.

On motion by Mr. Reuning and seconded by Mr. Watson, the Alternatives budget was approved.

The Probation budget was reviewed and on motion by Mr. Reuning and seconded by Mr. Saylor the .1 accounts were approved with salary amendments to the director to the 1992 level. Mr. Boyce voted no to the amendment.

The .2 equipment accounts were reviewed. A request for a computer was explained. On motion by Mr. Saylor and seconded by Mr. Watson the account was limited to \$2,000.

On motion by Mr. Watson and seconded by Mr. Saylor, the .4 accounts and total Probation budget was approved as amended.

STOP/DWI

Chairman Palmiter called on Patty Regan, Coordinator, for her report.

Copies of the 1993 STOP/DWI budget request were handed out for review.

Under the .1 accounts, on motion by Mr. Reuning and seconded by Mr. Boyce the committee approved the request with the salary of the coordinator set at the 1992 figure.

Under review of the .2 equipment accounts, it was noted of the request for a radar gun for the State Police.

On motion by Mr. Boyce and seconded by Mr. Reuning, the .2 accounts were approved.

The .4 accounts were reviewed and on motion by Mr. Watson and seconded by Mr. Boyce approval was given as well as to the entire budget as amended.

On other STOP/DWI matters, a request was submitted to authorize the coordinator to attend the annual STOP DWI Coordinator's conference.

On motion by Mr. Boyce and seconded by Mr. Reuning approval to attend was given.

A purchase of equipment request was submitted to approve the purchase of two replacement alco sensors.

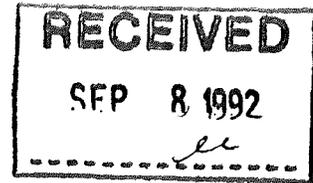

On motion by Mr. Reuning and seconded by Mr. Boyce, approval for the purchases was given.

Traffic Safety Board

Chairman Palmiter called on David Roeske, Acting Director, for his report.

Copies of the 1993 Traffic Safety budget were handed out for review. After discussion, on motion by Mr. Boyce and seconded by Mr. Reuning the committee approved the budget.

L.C. Whitford: James Allen

Chairman Palmiter called the meeting to order at 9:02.

On motion by Mr. Reuning and seconded by Mr. Boyce the minutes of the August 6, 1992 Public Safety Committee were approved.

It was noted at this time, discussion would be made regarding the matter of the L.C. Whitford offer to obtain the county owned property in Wellsville on the Bolivar Road which the rescue squad garage is located on.

James Cicirello, County OES Rescue Squad Chief, was called on for a comment. It was noted of the cost per capita for the rescue squad budget and the amount of the total county budget dedicated to the rescue squad is approximately \$15,000 annually.

It was reiterated that the rescue squad is a county organization and the service is available county-wide, when requested. During the day approximately 75% of the county population is found south of the expressway (Rt. 17). This is where the county rescue squad generally operates. It was noted some fire departments have the capability to do light rescue work such as auto extrication and some have the jaws of life type equipment.

The county OES rescue squad does have heavy rescue capability as well as search and rescue.

A letter was noted from the DEC in support of the county rescue squad as they rely on them for search and rescue capability.

Mike D'Antonio discussed some of the aspects of search and rescue capabilities as well as the silo and high angle rescue.

Mr. Walchli commented in support of the county rescue squad.

Mr. Boyce asked what the current membership of the squad is. Jim Cicirello noted there are 32 active members. Some members are also members of the fire department and ambulance squad.

Mike D'Antonio noted that these members work together for specialized capabilities to do medical rescue.

John Tucker explained the legal authority of the squad as it was developed from the Civil Defense rescue group in the 50s and 60s. It is authorized and supported by county government to operate as an emergency response organization. John noted concern for the continuation of this organization as a needed resource to the county.

Mr. Watson stated that because of concerns for the county budget situation, all areas and possibilities of this matter have to be addressed. It is not the intention of the county to drop the service but should look at options.

It was recommended that possibly the county planner could be contacted to determine if grant funds could be obtained to assist with the operation, specifically replacement or retrofit of the vehicles.

Delores Cross commented she was in support of the organization and didn't feel it was a financial burden for the county to maintain.

Jim Allen, representing L.C. Whitford explained the offer to the county. In exchange for the county property, Whitford would offer property and construct a building which would be of equal value to or more than the purchase price.

On motion by Mr. Watson and seconded by Mr. Boyce the committee voted to continue support of the rescue squad and approve the offer by L.C. Whitford on the current property. The matter was referred to the Public Works Committee and on recommendation also to Central Service Committee.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

A request was submitted to approve the purchase of a computer mapping program. This program would be used for the E911 telephone data requirements and to assist in the updating of the county's rural

numbering system. It was noted this program is being used in Cattaraugus, Wyoming and Steuben counties.

The total cost including some in-service training would be \$2,395. There would be funds within the fire service budget if transfers were made.

On motion by Mr. Reuning and seconded by Mr. Boyce the committee approved the matter and referred it to Central Service as required.

Keith noted the state has authorized 300 hours of training for fire service instructors to conduct locally. There will be two certified instructors assigned for the training.

Sheriff's Department

Chairman Palmiter called on Sheriff Scholes for his report.

A request to transfer funds was submitted to authorize \$600 from 3150.423 (jail food) to 3150.409 (jail fees).

On motion by Mr. Watson and seconded by Mr. Boyce approval for the transfer was given.

A memorandum was submitted requesting a resolution to approve an agreement with Monroe County to provide psychiatric center security.

On motion by Mr. Reuning and seconded by Mr. Boyce, approval was given.

NOTE: County Attorney Prepare Resolution

Another memorandum was submitted for renewal of the agreement for Allegany County to be reimbursed for court security.

On motion by Mr. Watson and seconded by Mr. Boyce, approval was given.

NOTE: County Attorney Prepare Resolution

Sheriff Scholes requested approval to send three officers to a photo seminar. For attending the session, the county will receive free photography equipment. This training will include crime scene work, mug shots, etc. The cost will be \$250 total.

On motion by Mr. Reuning and seconded by Mr. Watson, approval to attend was given.

Probation Department

Chairman Palmiter called on David Sirianni, Director for his report.

Three memorandums were submitted to request resolutions as follows:

Approval for the Alternatives to Incarceration Program; approved on motion by Mr. Boyce and seconded by Mr. Reuning.

The Pretrial Release Program; approved on motion by Mr. Watson and seconded by Mr. Reuning.

The Community Service Program approved on motion by Mr. Reuning and seconded by Mr. Boyce.

NOTE: County Attorney Prepare Resolutions

The state aid allocations were discussed briefly.

STOP/DWI

Patty Regan, Coordinator, was called on for her report.

Discussion was made on the annual Allegany County Fair STOP/DWI booth. Patty felt Allegany County did a much better job with more involvement by local agencies as compared to Erie County at their fair.

The fair booth is a good public information and public relations tool to get contacts with local residents. Vendors provided handouts and some prizes.

The upcoming years activities will be dealing with athletic representatives and celebrities.

Patty noted the computer is being used more to compile statistics and other data.

The Special Patrol Programs are being effectively used in the county as well as billboards to promote STOP/DWI awareness.

Patty noted she will be attending the State Coordinator's conference in October.

Weights & Measures

Chairman Palmiter called on Al Chamberlain for his report.

It was noted that the state will be offering reimbursement for purchase of a fax machine to be used by the sealer's office.

There has been some activity at the Friendship Dairies that was discussed. The testing of a bulk tank scale was noted and a problem with it being in compliance.

Office of Emergency Services

Chairman Palmiter called on John Tucker for his report.

A memorandum was submitted requesting a resolution to approve the tower lease contract with the FBI for 1993.

On motion by Mr. Reuning and seconded by Mr. Boyce the committee approved the renewal at the 1992 figure.

A transfer of funds request was submitted to transfer \$1,389 from 3640.416 (telephone) to 3640.448 (public safety contracts).

On motion by Mr. Watson and seconded by Mr. Reuning, approval for the transfer was given.

Public Defender

A request to transfer funds was submitted as follows:

\$160.00 from conference to printing
\$ 20.00 from conference to fees
\$100.00 from telephone to fees
\$245.00 from conference to office supplies

On motion by Mr. Boyce and seconded by Mr. Reuning approval for the transfers was made.

On motion by Mr. Boyce and seconded by Mr. Watson, approval to audit the bills was made.

The meeting adjourned at 11:04.

JOINT MEETING OF
CENTRAL SERVICES & PUBLIC SAFETY COMMITTEES

September 28, 1992

Present: Gallman; Boyce; Palmiter; Watson; Faulkner;
Sylor; Cross;

Discussion was held with the County Attorney on the L.C. Whitford proposal to acquire the county's rescue squad building in Wellsville, in exchange for a new building to be constructed by Whitford at another location. Mr. Sikaras reported that it is the opinion of the Comptroller of the State of New York that this type of transaction would be illegal unless bid competitively, or unless it would be a true lease or the building was already there. The county has a local law which allows the board to sell any county property.

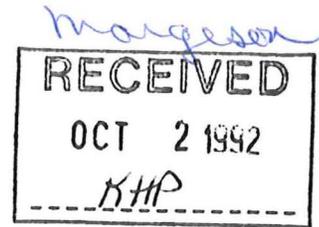

In view of the legal implications of the Whitford proposal, and this committee's involvement with regard to space allocation only, it was decided that the matter be referred back to the Public Works Committee with the recommendation that consideration be given to selling the rescue squad building. Mr. Margeson was requested to pursue on behalf of the committee the location of alternative sites for housing the rescue squad.

Meeting adjourned.

Chairman Palmiter called the meeting to order at 9:03.

On motion by Mr. Boyce and seconded by Mr. Reuning the minutes of the September 3, 1992 Public Safety Committee were approved.

Sheriff's Department

Chairman Palmiter called on Bill Timberlake, Undersheriff, for his report.

A transfer of funds request was submitted for \$500.00 from 3110.402 (mileage) to 3110.421 (education and school).

On motion by Mr. Sylor and seconded by Mr. Watson to approve the transfer.

A memorandum of explanation was submitted for a resolution to allow transfer of \$5,074 from 3170.447 to 3150.447 to cover the cost of hepatitis B inoculations for sheriff's staff as mandated.

On motion by Mr. Boyce and seconded by Mr. Reuning the request was approved. NOTE: County Attorney Prepare Resolution

The jail report was given and noted that last weekend the population was 51 and it has been averaging above 40 on a daily basis.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report.

There was nothing to formally report and Dave noted he was present if there were any questions of him.

Fire Service

Chairman Palmiter called on Keith Barber, Coordinator, for his report.

It was noted that the new computer mapping program has been received and staff are beginning to use it.

A request was submitted to authorize purchase of a tanker dome cover clamp to be used by the haz mat response team. Possibly additional clamps can be fabricated locally to save some expenses. On motion by Mr. Reuning and seconded by Mr. Watson, approval for the purchase was given.

STOP/DWI

Chairman Palmiter called on Patty Regan, Coordinator, for her report.

Copies were handed out of the department's recent activities.

A speaker will be coming from Boston to speak at a school assembly regarding STOP/DWI matters.

The Special Patrols Program being done by local police was noted. A "saturation patrol" was conducted recently in Cuba. Participants from local departments, sheriff and state police were involved.

Patty noted the newly acquired computer was being used effectively and statistics are being compiled and accessed.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

The recently attended Disaster Preparedness Conference in Albany was noted.

The Federal Emergency Management Agency director, Wallace Stickney, was present and discussed recent response to the Andrew Hurricane. Also present was the assistant fire chief from Los Angeles with a program on the emergency response to the riots and flooding.

The Public Works department recently completed maintenance and service to the Corbin Hill tower generator.

The new microwave system is operating very well with no problems as yet.

Public Defender

A transfer request for \$300 from 1170.416 to 1170 401. The transfer was approved on motion by Mr. Reuning and seconded by Mr. Boyce.

Traffic Safety Board

A request was submitted to authorize attendance to a State Traffic Safety Board Conference by Leonard Presutti.

On motion by Mr. Boyce and seconded by Mr. Watson approval was given to attend.

On motion by Mr. Watson and seconded by Mr. Boyce the bills were approved for audit. The meeting adjourned at 10:12.

On motion by Mr. Watson and seconded by Mr. Sylor, the minutes of the October 26, 1992 Public Safety Committee meeting were approved.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

Keith handed out a copy of a letter he had received from Wellsville Police Chief Hohensee requesting the county provide a twenty-four hour tape recorder to be used for the Enhanced 911 answering point at the Wellsville Police Department. No action was taken on the request at this time.

STOP/DWI

Chairman Palmiter called on Patty Regan, STOP/DWI Coordinator, for her report.

Some handouts were disseminated and discussed.

A STOP/DWI information booth was located at the recent Wellsville Lions trade show in Wellsville.

A poster contest was held recently with schools participating in the grades 4-12 category.

Another information booth promoting STOP/DWI awareness was held at the Jones Memorial Hospital "Wellness Day".

Patty reported on the STOP/DWI conference held recently with school participation.

A guest speaker attended from the National SADD chapter headquarters. Some school superintendents indicated that because of funding limitations, they are unable to present school programs. Patty noted that this would be a good area to apply funding assistance from the fine money of the STOP/DWI budget.

The use of computers and the court software program was discussed. Some other municipalities are still interested in obtaining the system.

The required State Program Plan was discussed. Patty was concerned that the state requires submission of the local plan prior to the end of the year, including budget appropriations.

It was noted that possibly a special Public Safety Committee meeting could be held to approve the plan and get county attorney approval and disseminated to local municipalities prior to the deadline by the State.

Sheriff's Department

Chairman Palmiter called on Undersheriff Bill Timberlake for a report.

Bill submitted a request to authorize the salary of the current temporary full time deputy be increased to the deputy's salary level. Currently the position is being filled with a corrections officer at the pay scale.

On motion by Mr. Reuning and seconded by Mr. Watson, approval was given by the committee.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report.

A request was submitted to authorize a change in the Probation Department's phone system. The request is to change two lines and the purchase of a new phone. The approximate cost would be \$300.00

On motion by Mr. Reuning and seconded by Mr. Watson approval by the committee was given.

Weights and Measures

Chairman Palmiter called on Al Chamberlain, Sealer, for his report. Al explained that the state would reimburse the county for the purchase of a fax machine for his office. The state bid price was \$843.00.

On motion by Mr. Watson and seconded by Mr. Boyce, approval was given and referred to Ways and Means Committee.

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

A request was made for the county to sign a mutual aid agreement with Potter County for disaster response assistance between counties. A draft agreement was submitted and referred to the county attorney for review.

A request to transfer funds within .4 accounts was submitted as follows:

\$300 from .404 maintenance to .401 postage
\$200 from .407 office supplies to .408 general supplies
\$200 from .402 mileage to .411 repairs personal property

On motion by Mr. Reuning and seconded by Mr. Watson, approval for the transfers was given.

John noted BOCES is working on the communications system to acquire two way radios for each school district to receive notification and warning messages such as severe weather statements. Assistance will be given as to type of equipment and also a grant application to receive reimbursement of 50% of the cost from the federal government. It was noted that the BOCES district will be funding the project similar to the Steuben BOCES project which is completed.

The Emergency Services office has created some computer forms to be used in the quarterly federal reimbursement program. Other counties have indicated interest in using the system.

On motion by Mr. Watson and seconded by Mr. Reuning the bills were approved for audit.

The meeting adjourned at 10:15.

Chairman Palmiter called the meeting to order at 9:01.

On motion by Mr. Watson and seconded by Mr. Boyce the minutes of the November 5 and November 23, 1992 Public Safety Committee meetings were approved.

Fire Service

Chairman Palmiter called on Keith Barber, Fire Coordinator, for his report.

A request was submitted to transfer funds as follows:
\$22.86 from A3410.420 (fire advisory board) to A3410.419 (printing)

On motion by Mr. Sylor and seconded by Mr. Boyce the committee approved the transfer.

There has been received a concern from Angelica and Almond regarding the winter conditions of the Route 17 expressway between Angelica and West Almond. This is a result of the recent accidents because of the icy conditions.

A letter from Angelica fire department chief, Paul Gallmann, suggested the State address this matter. It was also felt that the fire police should not be responsible for traffic control.

On motion by Mr. Watson and seconded by Mr. Boyce, the committee supported the recommendations and referred the matter to the Traffic Safety Board.

Keith noted a training course will be available in May by the Office of Fire Prevention and Control for K-9 accelerant detection. Possibly a "sniffer" dog could be made available to the county. This matter will be addressed later.

The Fire Advisory Board submitted a list of candidates to be appointed as board members.

On motion by Mr. Sylor and seconded by Mr. Watson, approval by the committee was made. NOTE: County Attorney Prepare Resolution

Sheriff's Department

Chairman Palmiter called on Sheriff Scholes for his report.

A request was submitted to transfer funds as follows: \$10,000 from 3170.447 (other correctional agencies) to 3110.203 (communications equipment) These funds are needed for replacement of some equipment.

On motion by Mr. Sylor and seconded by Mr. Boyce to approve the request. John Margeson will assist with this matter.

STOP/DWI

Chairman Palmiter called on Patty Regan for her report.

Patty noted of plans for some school assemblies that will deal with STOP/DWI matters.

Presentations will be made by a prominent sports celebrity.

Some funding will be provided by the schools to the county as revenue for the costs of the assemblies.

A request for a resolution to authorize the fund from the schools be transferred into the STOP/DWI account. On motion by Mr. Sylor and seconded by Mr. Boyce the committee approved the request.

NOTE: County Attorney Prepare Resolution

Patty noted that the county may recoup some of the 2 % funding withheld by the State from the fine monies.

A transfer of funds was requested as follows:
\$108.00 from .406 (insurance) to .407 (supplies)
\$150.00 from .416 (telephone) to .402 (mileage)

On motion by Mr. Boyce and seconded by Mr. Watson to approve the transfers.

John Margeson noted of a proposal to purchase a personal computer and printer for the STOP/DWI office. Some surplus funds in the 1992 budget are available and transfers were requested as follows:

\$726.00 from .208 to .201
\$1,112.00 from .451 to .201

This would save the funds budgeted in the Probation budget allocated for 1993.

On motion by Mr. Watson and seconded by Mr. Sylor, the committee approved the request for the transfers and referred the matter to the Ways and Means Committee.

Probation Department

Chairman Palmiter called on David Sirianni, Director, for his report.

A request to transfer funds was requested as follows in the Alternatives budget: \$50.00 from .402 (mileage) to .416 (telephone)

On motion by Mr. Boyce and seconded by Mr. Watson, approval was given.

A request to transfer funds in the probation budget was made as follows:
\$672.00 from .416 (telephone) to .402 (mileage)
\$303.00 from .416 (telephone) to .407 (supplies)

On motion by Mr. Boyce and seconded by Mr. Saylor, approval for the transfers was given.

Dave noted that "in house" drug testing will begin for probation clients and a fee will be assessed for each test generating revenue for the county.

Traffic Safety Board

Chairman Palmiter noted of a request submitted recommending appointments to the board.

On motion by Mr. Saylor and seconded by Mr. Watson, approval by the committee was given. Note: County Attorney Prepare Resolution

Office of Emergency Services

Chairman Palmiter called on John Tucker, Director, for his report.

A request was made for transfer of \$6,671.00 from contingency into the OES A3640.406 insurance account. This request is to cover a shortfall in the 1992 insurance account and the funds for the 1993 premium due by December 23, 1992.

It was noted this matter will be addressed at the Ways and Means committee meeting December 4.

John noted floor plans of all floors of the county office building and county court house have been drawn up and computerized. These are available when needed.

On motion by Mr. Saylor and seconded by Mr. Boyce the bills were approved for audit.

The meeting adjourned at 10:35.
